Subject: Request for payment of annual fees to the PTA for the academic year 2022-2023

Dear Parent,

In the last two years due to the COVID pandemic many activities of the PTA had been curtailed, however even then the PTA did a few activities like the children's day outreach, distribution of chocolates. Teacher's day celebration, acknowledging the efforts of our teachers with a token of appreciation: gift vouchers. During the last two years PTA membership fees were not collected in view of the pandemic.

However now as we are fortunate to have a near normal situation and hope it continues this way, the PTA in consultation with the school management has and will be conducting the following activities:

- 1) Meritorious awards for the graduating 10<sup>th</sup> Std students
- 2) Prizes for the English Elocution Competition in July 2022
- 3) Career guidance sessions for students
- 4) Teacher's day celebration - September 2022
- 5) Children's day celebration – November 2022
- 6) Christmas celebration – December 2022
- 7) Any other events as the need arises

We request the active participation of the parents for these events and to make the PTA more effective. An email address : [pta@manovikasschool.in](mailto:pta@manovikasschool.in) for the PTA has been created to facilitate easy communication with the PTA office bearers. Please do send in your suggestions and any way you would like to contribute.

For this academic year we will be collecting the customary PTA fees of Rs. 300/- from each student, to help organise the various activities. A payment link has been created on the school website <https://www.manovikasschool.in/pta> for easy payment of fees. You could also pay directly at <https://www.onlinesbi.sbi/sbicollect> . We request you to pay it as soon as possible as many activities have already been undertaken and your contribution will assist in conducting future activities. Payment must be made by November 31<sup>st</sup>, 2022.

Thanking you,

Yours sincerely,

Shane Barreto

(Treasurer)
